Report on Health Camp

INTRODUCTION: Physical fitness is not the sole basis of being healthy; being healthy means being mentally and emotionally fit. Being healthy should be part of our overall lifestyle. Living a healthy lifestyle can help prevent chronic diseases and long-term illnesses. Feeling good about us and taking care of our health are important for our self-esteem and self-image. A one day Health Camp was organized on December 3rd 2024 from 09:00 am to 04:00 pm by Sahyadri College of Nursing in collaboration with Family Welfare Society for families of Yermala under the guidance and supervision of Mr Aakash Sir, Ms.Priya Madam and Mr.Mayur Sir, Tutors of Sahyadri College of Nursing, Dharashiv were part of the organizing team.

AIM OF THE HEALTH CAMP: • To educate the importance of healthy lifestyle for the betterment of the health of the family members of policemen.

OBJECTIVES OF THE HEALTH CAMP:

- To educate the families of policemen regarding the changes in the lifestyle for the better health and prevention of various diseases.
- To educate people about hygienic practices to improve their health.
- To lay the emphasis upon the importance of balanced diet on one's health.

Principal
Sahyadri College of Nursing
Osmanabad-413501

- To make the community aware about the significance of exercise, yoga, rest and sleep for better physical and mental health.
- To screen the camp attendees for common health issues like Anemia, Diabetes and obesity and take their medical history.
- To distribute free medications to them, if prescribed.
- To refer the people to the health care facility, if required.

THEME OF HEALTH CAMP

HEALTHY LIVING THROUGH HYGIENE, DIET, EXERCISE AND REST

VISION: To provide awareness to all the families of policemen in such a way that enhances their knowledge in all aspects of healthy living and aids in their overall development including physical and mental health.

MISSION: To spread the message in the community regarding the importance of healthy living through practicing hygiene, consuming a healthy diet, doing exercise and yoga along with adequate rest and sleep and how it affects an individual's physical and mental health.

TIMINGS: 09:00 AM- 04:00 PM on 3rd December, 2024.

PROGRAMME PROCEEDINGS: OPENING SESSION The programme started with introduction of the day's agenda to the families and enlistment of all the activities of the health camp. All the organizers of the camp, guests and the family members of policemen were welcome.

ACTIVITIES λ The session started with a street play presented by the student nurses highlighting the aspects of healthy and unhealthy living and habits. All the aspects were presented in an informative as well as entertaining way. λ Street play was followed by health education given by student nurses on various aspects of healthy living using variety of self- made posters such as;

- 1) Personal hygiene, menstrual hygiene and sexual hygiene

- 2) Physical activities
- 3) Rest and sleep
- 4) Balanced nutrition
- 5) Environmental hygiene
- 6) Stress management

λ The health education was supported with the interactive session of Ms. Priya Madam, who emphasized on each component and explained all the aspects with the involvement of the audience. λ Towards the end of the health education, a laughter session was taken by Ms. priya Madam which was enjoyed by all. λ After the education session the audience moved to stations where assessment of the health status of the people was done for policemen's families. A total of 120 people attended the health camp consisting of 60 women, 40 men and 20 children. Out of which 83 beneficiaries were screened and assessed for weight, height, blood pressure, haemoglobin level, blood sugar level and BMI. Rest around 37 beneficiaries attended health education, exercise and laughter sessions. For each aspect different stations were set for the convenience of the people. All the data were recorded for future references. λ Then the clients moved for medical consultation to doctors for their health problems. Distribution of Unani medicine was done alongside. λ Following consultation with the doctors, according to the prescription free medicines were dispensed. λ Among the Unani medicines, anti-inflammatory and analgesic medicines for arthritis and joint pain, anti- allergic and immune-boosters for Rhinitis were

dispensed. Also hepatic tonics were distributed

Republic Day Celebration-2025

Indian won its freedom on the 15th of August 1947 and became a republic on the 26th of January 1950. The new constitution of free India came into force with the effect on the 26th itself. It is a day of national rejoicing and it is celebrated with zeal and spirit throughout the Country. 75th Republic day in our college was celebrated with great enthusiasm, the campus was decorated with handmade posters on environment, balloons, wall hangings and tricolour dupattas.

The Republic day celebration started at 8 in the morning with students, teachers and other staff members being present at the college premises. Ms. Priya Madam the cultural department representative embarked the event by addressing the Vice-Principal of Sahyadri College of Nursing Dharashiv. The event proceeded with the parade done by the students of Nursing then the flag hoisting took place which was done by our Principal mam. The Chief Guest Mr. Diggaj Dapke Deshmukh addressed the crowd with her wise and insightful words. Ms. Priya Madam the cultural department representative took the spot and announced the winners of The Poster Making Competition which was organised by the environment cell of our college with the help of sports department, the students were felicitated with prizes.

The heart of the event was the announcement and felicitation of the Student Committee for the year 2022-23. 27 students from the lot were chosen through different tests and processes, then made the representatives of different committees. These students were felicitated with the batches. There was a balloon release program to showcase it as a symbol of freedom.
