Madam,

is for your information, if an Institute already has AISHE Code under Standalone category and it is offering ANM,
along with BSc(N) course and its management & campus both are same, then it should apply for upgradation
college category along with University affiliation letter. For upgradation, the Institute should mail a request to
aishe-helpdesk@nic.in as the upgradation process is done at MoE level.
Kindly note AISHE Code issue to Institute not for courses separately.
Please let me know the status so that needful action can be taken.
